

## PARTS LIST

## BOMBA

| NO. DE REF. | NO DE PARTE | DESCRIPCIÓN                      | CANT. |
|-------------|-------------|----------------------------------|-------|
| 1           | 23360068    | HEAD - CYLINDER                  | 1     |
| 2           | 23360084    | SET - ALLEN BOLT                 | 4     |
| 3           | 23360092    | GASKET - EXHAUST ELBOW           | 1     |
| 4           | 23360100    | ELBOW - EXHAUST                  | 1     |
| 5           | 23360118    | BOLT - ALLEN HEAD                | 2     |
| 6           | 23360126    | FILTER - AIR INLET               | 1     |
| 7           | 23360134    | ELEMENT - AIR INLET FILTER       | 1     |
| 8           | 23360142    | ASSEMBLY - INLET & EXHAUST VALVE | 1     |
| 9           | 23360159    | CYLINDER                         | 1     |
| 10          | 23360167    | SET - DOUBLE HEAD SCREW          | 2     |
| 11          | 23360175    | GASKET - CYLINDER                | 1     |
| 12          | 23360183    | SET - PISTON RING                | 1     |
| 13          | 23360191    | SET - PISTON                     | 1     |
| 14          | 23360209    | ROD                              | 1     |
| 15          | 23360217    | CRANKSHAFT & BALANCER            | 1     |
| 16          | 23360225    | SET - MOTOR                      | 1     |
| 17          | 23360233    | GASKET - FRONT COVER             | 1     |
| 18          | 23360241    | COVER - FRONT                    | 1     |
| 19          | 23360258    | BOLT                             | 4     |
| 20          | 23360266    | PLUG                             | 1     |
| 21          | 23360274    | SET - DIPSTICK                   | 1     |
| 22          | 23360282    | SET - CENTRIFUGAL SWITCH         | 1     |
| 23          | 23360290    | COOLING FAN                      | 1     |
| 24          | 23360308    | SHROUD                           | 1     |
| 25          | 23360316    | BOLT                             | 6     |
| 26          | 23360324    | STARTING CAPACITOR               | 1     |
| 27          | 23360332    | RUNNING CAPACITOR                | 1     |
| 28          | 23360340    | THERMAL PROTECTOR                | 1     |
| 29          | 23360357    | AUTOMATIC RELIEF VALVE           | 1     |
| 30          | 23369655    | GASKET - HEAD                    | 1     |
| 31          | 23369663    | GASKET - VALVE ASSEMBLY/CYLINDER | 1     |

## TANQUE

| NO. DE REF. | NO DE PARTE | DESCRIPCIÓN                      | CANT. |
|-------------|-------------|----------------------------------|-------|
| 1           | 23360365    | TANK - AIR                       | 1     |
| 2           | 23360373    | VALVE - BALL                     | 1     |
| 3           | 23360381    | SET - RUBBER PAD                 | 4     |
| 4           | 23360399    | GRIP                             | 1     |
| 5           | 23360407    | VALVE - PRESSURE RELIEF          | 1     |
| 6           | 23360431    | BODY SEAT BLOCK                  | 6     |
